San Jose Alumnae Chapter of Delta Delta Delta

Serving Silicon Valley since 1948

Dear Delta Sisters,

Welcome back from all your travels. We have a great year planned with some added activities. We are very fortunate to have such a dedicated and talented board this year. You will find the meetings fun & informative and Kara has added a new twist in having us bring something for a focus charity each month.

As most of you know Laura Collins Phillips' mother, Susan, was initiated into Tri Delta with the new member class at Davis in June. Many of you know her as she has hosted meetings at her house, helped set-up meetings at Montalvo, and attended the party at my house in June right after her initiation. She is now a member of our group & will make a wonderful addition.

You have all received a lovely invitation to our group from our treasurer Jane Ward. If you have not already sent this back with your check I urge you to do so ASAP. If we are to continue as a group we do need the funds! Also, you will be receiving the order forms for the Christmas wreaths at the meeting. You may also go onto our web site and find all the information. I have asked my clients to look at the web page to see what the wreaths look like prior to their selections this can be very helpful in making decisions.

Lilly has some fun new adventures planned for us this year. And, as we all relish going to Mary's to obtain books at our January meeting; we are going to have a book day at Mary's in October (Mary really does need the garage space!).

If you are not signed up on our email list please do so, some of you missed the party last June, which was so much fun! We will be using the email for most of our information, so you need to be a part of it.

Looking forward to seeing all of you September 11<sup>th</sup>.

Delta love,  
Arlene

by Kathy Woolner, WebDelta

Summer 2007 has been exciting for the Woolner family! We moved from North Carolina to Cleveland, Ohio for Keith to start his new job in Baseball Operations for the Cleveland Indians. We're unpacking boxes, finding all the critical necessities (Home Depot and the grocery store), and attending lots of Indians baseball games! Sagan, now 4 1/2 years old, is starting his last year of preschool. Our new neighbors and the Cleveland West Side Tri Deltas have been very welcoming to us. The summer weather in Ohio is lovely! If you have any occasion to come to Cleveland, please let me know! You're always welcome!

Now for other stuff - How many Tri Deltas took a cruise this summer?  
The 3 Hutchings did. The Carnival line out of Long Beach to Catalina and Ensanada! The shows were fabulous. !
